Island Outdoor Experiences

Unearth the spirit of Lošinj Island and its marvelous archipelago, where every corner and coastline tells a story waiting to be discovered. From the ancient wonders of Cres Island to the fables of the centennial forest and immersive cultural experiences uncovering Lošinj's legacy, there's something here for every explorer. Unwrap a mix of history, nature, and culture with us!

Timeless Lošinj

Step back in time at local museums filled with ancient artifacts and traditional crafts, bringing history to life before your eyes! Wander through hidden architectural gems, guided by local experts who will unravel the island's fascinating secrets and customs.

Our exclusive 4-hour guided excursion, led by a knowledgeable local, kicks off in the morning from your hotel. Along the way, you'll visit the Museum of Apoxyomenos, breathe in the fragrant beauty of the Garden of Fine Scents, and explore the Ancient Tower in Veli Lošinj. Get a glimpse of maritime history at the Nerezinac Lugger before traveling back in time in the historic Osor, where ancient artifacts and cutting-edge VR technology will transport you through centuries of cultural heritage.

This is more than a tour. It's an immersive adventure that will connect you with the soul of Lošinj Island!

DURATION: up to 4 hours

DIFFICULTY: low
